

Target Audience

This activity is designed for an audience of physicians, physician assistants, nurses, nurse practitioners, pharmacists and other healthcare professionals.

Learning Objectives

Upon completion of the educational activity, participants should be able to:

Narrow Highways and Byways: Coarctation of the Aorta:

Evaluate contemporary approaches to congenital heart disease.

The Nitty-Gritty of CV Disease: Preventative Cardiology:

Recognize trends and overcome obstacles of cardiovascular disease prevention.

Social Determinants of Health and Cardiovascular Disease:

Evaluate the impact of social determinants of health in patients with CV disease.

ACC & Advocacy: Why We Are All One Team:

Identify strategies and overcome challenges in implementing team-based care to treat cardiovascular patients.

There's a Device For That: Structural Heart Interventions:

Categorize contemporary approaches to evaluating and treating patients with structural heart disease.

Beyond Measure: Updates in Sports Cardiology:

Recognize trends and evaluate and treat patients with the most recent guidelines and research.

Criteria for Success

There is no fee to participate in this activity. Statements of credit will be awarded based on the participant's attendance. A statement of credit will be available upon completion of an online evaluation/claim credit form available at:

akhcme.com/MACCS

Please claim your credit by 12/19/23.

If you have questions about this CE activity, please contact AKH Inc at JGoldman@akhcme.com.

CE credit provided by AKH Inc., Advancing Knowledge in Healthcare.

In support of improving patient care, this activity has been planned and implemented by AKH Inc., Advancing Knowledge in Healthcare and the Maryland Chapter, American College of Cardiology (VA ACC).
